

Congratulations All-Star!

Dear All-Star,

Congratulations on being selected as a 2011 Hall of Fame All-Star! Our judges selected you based on your hard work and determination as a dancer. As a member of the All-Star team, you are invited to a tremendous performance opportunity at one of our three National Events in Las Vegas, Orlando, or Chicago.

In order to participate as an All-Star, **you must register online on the webpage of the Nationals you plan on attending by June 1.** If you wish to compete at Nationals, you will have to register for the National competition by either registering through your studio or by using our online registration. Regardless of whether or not you are competing, you must register online to participate as an All-Star.

All-Stars have the opportunity to take free choreography/master classes in all subjects of dance to prepare for the opening number of our World Series of Dance Finals. The World Series of Dance Finals will take place in the evening on the last day of each National event. All-Stars should plan on rehearsing every day, and the detailed All-Star rehearsal schedule will be online, at **www.halloffamedance.com**, as soon as the Nationals competition schedule is finalized. Make no mistake, this will be very hard work, but it will all be worth it—in the end you will be part of an amazing production!

This year, our Las Vegas Nationals are June 19-23 at Bally's Hotel, and our Orlando Nationals are July 2-6 at the Peabody Hotel and our Chicago Nationals are July 8-12 at the Pheasant Run Resort

The costume for the opening number is any white top and black bottom. Each All-Star should bring this with them to Nationals. Dancers should also bring all of their dance shoes; the All-Star production will include several dance styles. Most dancers will only appear in portions of the dance, and Hall of Fame does not guarantee which sections you will dance. Dancers in at least one section of the All-Star dance may be decided by audition; however, each All-Star will participate in at least a portion of the dance.

There is **no charge** to participate. The master classes/choreography and performance opportunity is free to all Hall of Fame All-Stars. All-Stars may also take the free master classes that are open to all dancers. This is an excellent opportunity to show-off all of your hard work and effort to an enthusiastic audience.

We are looking forward to **THREE AWESOME NATIONAL EVENTS** this year and hope that you are able to be a part of one of these amazing productions. More information about the All-Star program and our Nationals can be found at www.halloffamedance.com. We hope to see you this summer!
